BRIEF ABSTRACT OF LETTER.

Requests to make some provision in the Govt. order, relating to grant of Concessions to indigent persons proceeding to the Pasteur Institute at Coonoor similar to the one accorded by the Govt. of Madras and to authorise him to draw the advance of Rs 10-8-0, made to one patient Chinnaiyah to the debit of Impress Govt.

NOTES AND ORDERS.

A

1 The Dy Commr Bangalore District has reported that the Legal heirs of Syed Sahib Hajee, to whom the advance was made by the Director, could not be traced in the limits of the city.

22nd July 1911 authorises that the expenses incurred in the treatment of indigent persons & the expenses of their attendants should be debited to (a) Municipal Funds when the person resides within a Municipality and (b) to District Funds when the residence is outside the Municipality. There is no provision to debit irrecoverable advances made to indigent persons.

The Financial Secy. may, if approved, be consulted in the matter.

3.12.21 3/12/21

The Rule referred to in the above office note relates only to expenses incurred on behalf of indigent persons who proceed to Coonoor for treatment with the cognisance of the local bodies concerned but not to cases of persons who proceed at their own expense to Coonoor but find it necessary to receive advances towards their maintenance charges from the Institute authorities.

The Director therefore suggests the introduction of a Rule on the lines probably of Rule 23 continued in his Memorandum of Information issued with our Notification dated 27th March 1913 for general information.

Serial No.

According to this Rule, the Director who advances the money in the first instance is expected to correspond with the District officers concerned and recover the amount from them. If it is found irrecoverable, it has to be debited to the Province concerned as a Provincial charge; or if no District officer takes over the claim; it has to be adjusted finally by the Accountant General of Madras.

6) If the introduction of a Rule on the above lines is approved, a suitable draft will be proposed in due course.

7) But the consideration of the above question need not delay the settlement of the claim now put forward for Rs. 10/8, which will either have to be accepted or rejected on the score that no information is available as to whether or not the patient belongs to Dobbapet as alleged.

Enclosures.

With reference to the enclosed copy of rule 24 of the rules appended to Madras Government Order No.530, L & M., dated 20-12-1917, in forwarding herewith copies of letters from the Collector and District Magistrate, Civil and Military Station, Bangalore, No.3176/21, dated 26-9-1921, and the letter from the Deputy Commissioner, Bangalore District, No.D2-Dis.920/21-22, dated 18-11-21, I have the honour to state that patient Chinnappan referred to therein who was a resident of Dobbspet, Bangalore City, came here at his own expense for antirabic treatment and that a sum of Rs10-0-0 was advanced to the patient and his attendant from this office as they were too poor to maintain themselves while under treatment.

2. Such charges incurred by this Institute are generally passed on to the debit of the District funds in accordance with the provisions made in the rules framed by the Government of Madras.

3. But the Government of Mysore have not made any provisions in their order No.631-80-Med. 2-08-95, dated 22-11-1911, to meet the charges of such cases.

4. I, therefore, request you to be so good as to make same provisions in the G.O. similar to the one adopted

Copy of letter from the Collector and District Magistrate, Civil and Military Station, Bangalore, to the Director, Pasteur Institute, Coonoor, No.3176/21, dated 26-9-1921.

With reference to your letter No.3279, dated 19-9-1921, I have the honour to append in the margin the address of patient Chinnappan referred to. His exact address is not known, vide copy of letter No.1050, dated 7-7-1920 received from the Health Officer, Civil and Military Station, Bangalore.

Chinnappan, aged 3, son of Syce Saminathan, residing at Dobbspet, Bangalore City.

Copy of letter No.1050, dated 7th July 1920 from the Health Officer, Civil and Military Station, Bangalore, to the Collector and District Magistrate, Civil and Military Station, Bangalore.

With reference to the enclosed correspondence, I have the honour to report that the party referred to by the Director of the Pasteur Institute, Coonoor, was not sent through this office.

On enquiry, I am informed that Syce Saminathan was residing in Dobbspet (City limits) and has left for Negapatam after returning from Coonoor. The party must have gone to Coonoor of his own accord or must have been sent through the Health Officer, Bangalore City. I am addressing the latter officer and will forward his reply on receipt.

24. The Director may make advances to indigent persons who come to Coonoor at their own expense, but are unable to maintain themselves there or to pay for their return journey. The possibility of recovering these advances should then be investigated in the following manner. The Director should correspond direct with the ~~officers~~ Dy. Commrs in charge of the districts to which the patients, to whom advances have been made, say they belong, and should ~~ask~~ them to take over for investigation claims in respect of the advances made. District Officers should ~~then~~ take over these claims as soon as they are satisfied that the persons who received the advances actually belong to their districts, and should inform the Director that they have done so. The Director should then recover the amounts advanced, from the treasury, producing the district officers' 'acceptances' as vouchers, and the claims should then be passed on to the provinces concerned—to be adjusted as the amounts advanced are recovered or written off under the local rules. [Any sum which is found to be irrecoverable after being passed on to a district officer will be debited to the province concerned as a provincial charge under the head "32.Miscellaneous—Miscellaneous and unforeseen charges—Charges for the treatment of patients at the Pasteur Institute, Coonoor." Otherwise, i.e., if no district officer takes over the claim it will be adjusted finally under the same head in the books of the Accountant-General, Madras.

ORDER NO. L. 385-559.—MED 69-21-17, DATED 19TH JULY 1922.

The Rules prescribed in the Government Order read above, while providing for the payment of travelling expenses, maintenance charges, etc., to Government servants on a certain scale of pay and also to idigent persons not employed in the public service. who are bitten by a rabid animal and proceed to the Pasteur Institute at Coonoor for treatment with the cognisance of certain grades of officers in the State, do not provide for the payment of such expenses to persons who proceed to Coonoor for such treatment at their own expense but subsequently find themselves unable to maintain themselves there or to pay for the expenses of their return journey. To provide for cases of this kind of which an instance actually occurred, the Director of the Pasteur Institute suggests the desirability of introducing a Rule similar to the one adopted by the Government of Madras for regulating the debit of charges incurred in such cases. Government are agreeable to the adoption of this Rule subject to the condition that the debit will be accepted only when the individual on whose behalf charges are incurred is traced to be a subject of the Mysore State. They are accordingly pleased to direct that the following Rule be inserted as Rule 20 of the Rules published with the Government Order read above :—

"20. The Director may make advances to indigent persons who come to Coonoor at their own expenses, but are unble to maintain themselves there or to pay for their return journey. The possibility of recovering these advances should then be investigated in the following manner.—

The Director should correspond direct with the Deputy Commissioners in charge of the Districts to which the patients, to whom advances have been made, say they belong and should ask them to take over for investigation claims in respect of the advances made. The Deputy Commissioners should take over these claims as soon as they are satisfied that the persons who received the advances actually belong to their districts and should inform the Director that they have done so. They should also arrange as promptly as possible for the re-coupment of the amounts advanced to the Director of the Institute under the rules".

The claim put forward by the Director of the Pasteur Institute in his letter read above cannot be accepted by the Durbar as the Deputy Commissioner of the Bangalore District and the President of the City Municipal Council have both reported that the patient referred to is not known to be a resident of Dobbspett.
